Plan Revised September 24, 2021

What is Title I?

Hawthorne Elementary is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement policy.

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Hawthorne Elementary will provide opportunities to improve family engagement to support student learning. Hawthorne Elementary values the contributions and involvement of parents and family members to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Hawthorne Elementary will support family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

Hawthorne Elementary School invited all parents to attend our annual School Forum last spring to review and revise this parent and family engagement policy, as well as the schoolwide plan, our school-parent compact, and the family engagement budget. Additionally, parent input and comments regarding this plan are welcome during the school year through an online form. The plan is posted on our school website for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey online and by mail to ask parents for their suggestions on the plan and the use of funds for family engagement. Parents and family members can also give feedback during several parent meetings and activities during the school year.

Who is it for?

All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. Hawthorne Elementary will provide full opportunity for the participation of parents and family members with limited English, with disabilities, and of migratory children.

Where is it available?

At the beginning of the year, the plan is included in the student handbook that is given to all students. As a reminder, we will email the plan to all parents in August before the scheduled Open House event. The plan will also be posted on the school website and social media. Parents can also retrieve a copy of the plan in the Parent Resource Center.

2021-22 District Goals

By 2023, Clayton County Public Schools will increase the percentage of students scoring at the Proficient and/or Distinguished levels on the Georgia Milestones to at least 80% in each content area.

2021-22 School Goals

KK–2nd Grade

By the end of the school year, all students will increase reading comprehension by analyzing text to make inferences, draw conclusions, and increase written communication by explaining mathematical thinking to find solutions as measured by selected school-wide and system-wide assessments.

3rd—5th Grade

Hawthorne will provide rigor and relevance focused lessons to promote language/vocabulary development for **ALL** students and continued implementation of the high performance teaching model during the literacy block to include mini-lessons on crafting arguments, information/ explanatory, and narrative writing and applying conventions to reach the goal of students scoring at the Proficient and/or Distinguished levels on the Georgia Milestones to at least 80% in each content area.

School-Parent Compacts

As part of this plan, Hawthorne Elementary and our families will jointly develop a school-parent compact, which is an agreement that parents, teachers, and students will develop that explains how parents and teachers will work together to make sure all our students reach grade-level standards. The compacts will be reviewed and updated annually based on feedback from parents, students, and teachers during the

Community Cares event and the School Forum. The

school-parent compacts also are shared with parents during parent-teacher conferences and kept with each child's teacher if parents need another copy.

Parent and Family Engagement

Hawthorne Elementary believes that family engagement means the participation of parents and family members in regular two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

- That parents play an integral role in assisting their child's learning.
- That parents are encouraged to be actively involved in their child's education at school.
- That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.

Hawthorne Elementary is committed to helping our parents and families attend the family activities listed in this policy. Please call or email us if you need assistance in order to participate in our programs.
